

اسلام عليكم ورحمته الله بركاته

Dear Brothers

I hope that you will be fine,

It is stated that the task of PQR was conducted by admission office and the data has been entered by admission office. Now it has been transferred to QEC office. The data has been evaluated and it needs rectification. There are two types of mistakes which are

One related to our university/affiliated colleges graduates (the data entry problem) and

Second one is related to HEC data base

For this purpose visit has been made to HEC but they did not give access for rectification hopefully they will do after few months

So enter your data in the Following format

And your problem will solved

**Enter your data in following format**

**For University Departments students**
